## The Green Ecostore Opens in Mercato Mall

Dubai, UAE – 22 March 2011: The Green Ecostore, the first dedicated retail store in the region that offers eco-friendly products is now open in Mercato Mall.

Speaking at the launch, Anu Agarwal, Founder of TheGreenEcostore.com stated, “We are delighted to offer residents of UAE, a destination store where they can now buy a range of eco-friendly products under one roof. I am confident that once people start using some of these products they will realize the importance of embracing eco-products and fine tuning their way of living to a greener lifestyle”.

TheGreenEcostore.com offers a range of eco-friendly products including solar gadgets and water saving appliances, recycled stationery items, reusable gift bags and shopping bags, eco-friendly toys, BPA-free water bottles and lunch boxes, reusable coffee mugs, soy candles,, solar powered backpacks, bamboo kitchen ware, eco-friendly household cleaners and organic pet products.

---

All shoppers are guaranteed products which are 'green', easily absorbed into the ecosystem, without compromising on design or quality. The store offers high quality products that are either - Biodegradable, Environmentally safe, Handmade, Natural, Recycled, Recyclable, Reusable, Sustainable or Organic.

To promote Earth Hour, the store will be offering a special price for Envirosax bags all day on 26 March 2011.
